

Door Loops

BUILD-A-DOOR LOOP

Weather you have specific needs for a custom Door Loop set-up, or need parts to have on hand at all times to create exactly what you need for each job, Keedex has you covered.

If you are putting together a single door loop set up, pick your flex conduit type from group A, the corresponding sized connector base from group B¹ or B², and the cover color you desire from group C.

A

(if you select the Stainless Steel End Caps in B² you do NOT need to pick a product from group C)
